Stage 3 (18 Hole) Tournament Calendar 2021

Welcome Message – 2021 Junior Captain, Alex Turlik

Welcome to the 2021 Junior Season. I hope that after 2020, we can all look forward to a more normal year in 2021. I am sure that all of the Muckhart juniors will be looking forward to the season starting. As usual, we will receive many new members and it is important for all of the existing juniors to make sure they feel welcome. Even last year, we saw a lot of juniors at Thursdays coaching and I am sure that will continue. It is always good to see juniors playing and practicing at the club on other days and for those who are keen to progress through our coaching stages, this is the only way to do that.

On behalf of all juniors, I would like to thank the volunteers who keep our section going – they take care of administration, coaching, teams, fundraising and child protection. Without them we wouldn't have such a successful section. We are also lucky to have great teams in the Pro Shop, Clubhouse and greenkeeping.

I am honoured to be Junior Captain at Muckhart Golf Club. My Vice-Captain will be Ben McLachlan who had a great season in 2020. If Ben and I can do anything to help our fellow juniors, please let us know. I wish everyone a successful and enjoyable season. Play hard but always have fun!

Philosophy

Muckhart Golf Club has a proud history of accommodating a large number of junior golfers and in turn, producing juniors who have attained considerable success at junior and senior level. To maintain this success and to achieve our goal of providing an organised and inclusive golf programme that offers a fun and safe environment, we work alongside Clubgolf, the junior development division of Scottish Golf.

Our Junior Golf Programme takes place every Thursday from mid-April through to early September. Timings vary between each Stage (details below). The social development of our juniors is very important and Thursday evenings in the clubhouse, following coaching, are very sociable for juniors and parents alike.

Volunteer Coaches

Under the guidance of our Junior Convener, the Junior Coaching Programme is coached and supervised by a motivated team of qualified volunteers. Our thanks go to every one of these members who are all helping to nurture today's juniors and ensure the future of golf! The full list of this year's volunteers is displayed on the Junior Noticeboard.

Technical

The Muckhart Golf Club Junior Section Coaching Programme comprises five separate phases as follows:

- Stage 1; Beginner (17.00 – 18.15)
 - o Driving Range
 - o Basic instruction
- Stage 1; Development (17.00 – 18.45)
 - o On course learning
 - o Exposure to rules and etiquette
- Stage 1; Advanced (17.00 – 18.45)
 - o On course play
 - o Preparation for full on course play
- Stage 2; 9-Holes (16.30 onwards)
 - o Weekly 9-hole competition
 - o Focus on competitive golf
- Stage 3; 18-Holes (16.30 onwards)
 - o Weekly 18-hole competition

Pathway

Progression to the next level is based on an assessment based on pre-advised and specific criteria. Please note:

- 'Promotion' is not dependent on either the age of the junior or the length of time he or she has been in the programme. 'Promotion' can be attained or awarded at any time.

Stage 1; Beginner

Overview: Stage 1 (Beginner) provides novice golfers with an opportunity to experience golf for the first time. Through teaching fundamentals and basic techniques, beginners will improve quickly thereby increasing the enjoyment they can gain from golf.

Objectives and goals: To prepare juniors for Stage 1 (Development). Apart from technical basics, juniors will acquire rudimentary golf knowledge in areas such as club types, shot types and safety.

Equipment: In recent years, we have invested in new equipment and this is provided for juniors in Stage 1. Once our juniors are ready to progress, we are happy to advise and assist with purchasing clubs. We also run a club rental programme – details below!

Stage 1; (Development)

Overview: Stage 1 (Development) golfers will gain more on course experience through lessons held on the course and by starting to play the courses. This is often a pivotal stage of development as the juniors put into practice the fundamentals they have learned in Stage 1 (Beginner).

Objectives and goals: To attain the playing level required to progress to Stage 1 (Advanced). Coaching specific skills such as driving, chipping, pitching and putting ensures that a solid playing foundation is built.

Stage 1; (Advanced)

Overview: Having attained the required playing ability, Stage 1 (Advanced) golfers will now receive training that will enable them to play golf not only to their proven ability but with full knowledge of what is required of them as golfers - etiquette, pace of play, composure, scoring, rules and conduct.

Objectives and goals: With Stage 2 as the next step, golfers in Stage 1 (Advanced) are able to see what is needed for them to make that transition. They will have to demonstrate the skills, knowledge and maturity required to be on the course, often unsupervised.

Stage 2 (9-holes)

Overview: Stage 2 (9-hole) golfers play a 9-hole event each week. By the time a junior has reached Stage 2, he or she should be comfortable on the course and well versed in course etiquette and tournament protocols.

Objectives and goals: To prepare juniors for Stage 3 (18-holes). The primary objective is to attain a national handicap and thereby become eligible to play in 18-hole events. The ultimate goal of Stage 2 golfers is to attain the criteria required to progress to Stage 3 (18-holes). This criteria is detailed below and all players will be assessed according to that criteria.

Stage 3 (18-holes)

Overview: Stage 3 (18-hole) golfers play an 18-hole event each week. By the time they reach this stage, juniors will have attained a national handicap and implemented the skills, knowledge and maturity required to be on the course unsupervised.

Objectives and goals: To achieve a steady handicap reduction and compete in the numerous prestigious junior tournaments at the club.

Child Protection and Safety

Safety & Wellbeing

The safety and wellbeing of all juniors is our main priority and we are fully committed to safeguarding the welfare of all children in our care. We recognise our responsibility to promote safe practice and to protect children from harm, abuse and exploitation. Staff and volunteers are all PVG certified through Scottish Golf and will work together, embracing difference and diversity in respecting the rights of children and young people.

Please note that volunteers and golf club staff cannot be responsible for juniors outside the times specified for the commencement and completion of their coaching. This includes time spent in the clubhouse post-coaching. A parent or an appointed carer must be in attendance at these times.

Muckhart Golf Club is affiliated to Scottish Golf and recognises the policies of our governing body, as set out in it's "Children's Wellbeing Guidelines".

The following principles form the basis of our Child Protection Policy:

- The welfare of our juniors is the primary concern.
- All children, whatever their age, culture, disability, gender, language, racial origin, socio-economic status, religious belief and/or sexual identity have the right to protection from all forms of harm and abuse.
- Child protection is everyone's responsibility.
- All children have the right to express their views on all matters, which might affect them, should they wish to do so.
- It is imperative that organisations work in partnership with children and parents to promote the welfare, health and development of children.

Muckhart Golf Club is committed to:

- Promoting the health and welfare of children by providing opportunities for them to take part in golf safely.
- Respecting and promoting the rights, wishes and feelings of all children.
- Promoting and implementing appropriate procedures to safeguard the wellbeing of all children and protect them from abuse.
- Recruiting, training, supporting and supervising its staff and volunteers to adopt best practice to safeguard and protect children from abuse and to reduce risk to themselves.
- Requiring staff, members and volunteers to adopt and abide by this Policy and these procedures.
- Responding to any allegations of misconduct or abuse of children in line with this Policy and these procedures as well as implementing, where appropriate, relevant disciplinary and appeals procedures.
- Regularly monitoring and evaluating the implementation of this Policy and these procedures.

This Policy and these Procedures will be reviewed regularly:

- In accordance with changes in legislation and guidance on the protection of children.
- Following any issues or concerns raised about the protection of children at the golf club.
- In all other circumstances, at least every three years.

Weather

Please could parents / carers ensure that juniors bring suitable waterproof clothing, head protection, water bottle every week. **Coaching will take place regardless of the weather conditions as we have indoor options!**

Consent Forms

We ask all parents / carers to complete a consent form on behalf of each child. This covers, medical issues, requirements and treatment as well as media.

Timekeeping / Attendance

If a junior is going to be late for coaching or needs to be collected early, please let us know as soon as possible. It is also helpful for planning if we are aware that a junior is going to be absent for a session.

Dress Code

While there is no specific dress code in place for juniors, it is preferred that junior members are attired appropriately, particularly those with access to the courses. Hats are not to be worn inside the clubhouse.

Clubhouse, Catering & Bar

In accordance with the 2009 Licensing Act, persons below the age of 16 are not permitted in the clubhouse after 8.00pm unless they are dining and accompanied by a person over the age of 18. Last orders for food is 8.45pm.

Mobile Phones

Out of respect to fellow juniors and our coaches, the use of mobile phones on the courses and during coaching sessions, without permission from a coach, is strictly forbidden.

Junior Noticeboard

The Junior Noticeboard is at the main entrance to the clubhouse. Please keep an eye on this for updates, information and news.

Lost Property

The Lost Property box is located below the Junior Noticeboard and often contains junior clothing, water bottles, junior clubs and junior gloves! Most lost property is handed in so please look in the Lost Property box if you or your child has misplaced anything. Lost membership cards that are handed in are kept at the Bar.

Club Rental Programme

Buying junior clubs is expensive as is replacing them when children grow. We run a club rental programme whereby juniors are fitted for the right size set that they then look after as their own. When they grow, they can simply bring that set back and they will be given a larger size set. This service costs £25 per calendar year. Not only is this superb value but that money goes straight back into the programme so that we can continue to buy and improve our equipment. Please contact juniors@muckhartgolf.com for more information.
