

Senior Captain Report for AGM 2021

Whilst it has again been a difficult year due to Covid19 restrictions and the weather, it has been a very successful year for our Senior Section. Our membership & playing numbers have significantly increased. Unfortunately, we were unable to fulfil some of our Inter-Club matches, and our joint competitions with the Club Ladies Section.

Our congratulations to our Senior Scratch Champion, Norman Richardson.

My sincere thanks to the following: to our Secretary, Brian Kelso - he does tremendous work enabling us to enjoy our golf and competitions. Brian and I are grateful for the support from Committee members Alan Gray and Grant McPherson. Alan was nominated, and was accepted, to be part of the Club Handicap Team - we wish him well with all the intricacies of WHS!!

We could not provide the Competitions and BRS time slots without the help, support and approval of the Club Captain and Board of Directors - also the Clubhouse, Shop and Green-keeping staff - I thank them all on behalf of our Senior Section.

Seniors Forward Tee on Seamab: The Club and the Senior Committee have been working with SGL to ensure we can use this tee for Qualifying Competitions. We anticipate this will be in place by the start of 2022 Summer Competitions.

Ian Barker
Seniors Captain.
