## Weekly Update

### Overview

Thank you to everyone who got back in touch with their availability to help with planting the saplings on Thursday and possibly on the 12th.

We had a fantastic start to the Junior Camp with Palmer and Dave this week. Even although the weather was not great, everyone had a ball - there are limited spaces left for next week - please contact Palmer for further information - juniorgolfcamps@outlook.com.

Big Masters weekend ahead, not only in Augusta but right here at Muckhart. To take part, pick your professional competing in Augusta and we will combine your nett score with their round 2 score. To qualify you must have entered into a medal this week before Friday. Entries are £1, please notify the pro shop who your professional of choice is - good luck everyone!

The **office will be closed tomorrow and Friday**, if you query can't wait until Monday - please contact Joe on reservations@muckhartgolf.com.

### National Events

The National junior season kicked off last week at Royal Dornoch where Luke Volland and Alex Turlik both

secured top-20 finishes on the Scottish Junior Tour. Some winter rust still in Lewis Seath's game but he and Alex are also playing in the Scottish Boys Open Championship at Murcar Links this week so good luck to them! Disappointingly, after some great golf at Dornoch, Luke has had to withdraw due to Covid-19.

## Greens Update

**Three ways to help our Greenkeepers to spend more of their time improving our courses...**

REPLACE DIVOTS

BIN YOUR RUBBISH

REPAIR PITCH MARKS

This week we were delighted to take delivery of over 1,000 saplings and are grateful to those who have volunteered to help with planting between the 2nd and 3rd holes of the Cowden Course. Please could all volunteers meet on the 2nd tee at 9.30am on Thursday.

The following projects have now been completed:

### **Ardean**

- 7th path

### **Cowden**

- 1st (Medal) tee steps
- 2nd tee steps
- 9th tee rebuild
- 9th fairway drainage

### **Naemoor**

- 8th path

- Ongoing projects: Installation of 150-yard posts and relocation of the yellow plates to 100 yards.
- Tree planting on the Cowden 7th & 8th tees.

Fairways have been cut this week as we get back into cutting routines with ground temperatures gradually rising during the day. However, due to evening temperatures still being so low, the greens are still only being cut sporadically.

## Retail & Golf Operations

Entries for the Matchplays close on Tuesday 12th April so please ensure you have entered any knockouts you wish to participate in on HowDidIDo. You can do this by clicking on the menu icon and then selecting 'Knockouts'. We have created a list of people who would like to play the team competitions (Brooks and Henderson Trophies) but do not have a partner, so let us know if you would like to be added to the list. We will contact you once we have found a partner and entered you into the competition.

As most of you are probably aware, we are running 9 hole Medal competitions on Sundays throughout the season. These are open for anyone to enter (gents, ladies and seniors) and hopefully these provide 9 hole

members, those who cannot commit to playing 18 hole competitions or just prefer to play 9 holes, a chance to enter competitions and meet other members. If anyone has any questions about how to enter please let us know.

With the shop now starting to receive its early season stock it's great to see some new fresh clothing ranges in both ladies and gents from Footjoy, Catmandoo and Swing Out Sister. We have also just received the new ranges of putters from Odyssey, Taylormade and Wilson along with a sampling of the new hardware.

New stock will continue to arrive over the next few weeks and we will continue to update you with exciting arrivals. If we don't have what you want or there is something specific you need or you would like to discuss anything please speak to either of us in the shop as we have access to most of the big manufactures and we are here to help.

The more you support Muckhart Golf Club Members Shop - the more we can help improve the facilities and experience of your golf club. Please remember when you purchase or custom order anything in our shop you will receive your preferential members discount and pricing.
