Please collect your membership packs from the pro shop

if you haven't already.

We have the new FootJoy shoe selection in the pro shop if you need to update your footwear for the new season. Please feel free to come into the shop and try some on. Steve and Joe will be happy to help and answer any questions you may have.

Greens Update

Spring has sprung at Muckhart with some great weather for a game of golf.

The soil temperature in the greens has increased and we have noticed our first flush of growth over the last week. The greens are now being cut on a more regular basis and we will be giving them a little Verti Cut to help with some of the uneven growth we are encountering.

All bunkers have now been edged and had sand moved around in them, some will have a sand top up in the coming weeks.

Unfortunately we have had some divots taken out of the greens. This requires special attention and time to repair. Please be respectful to the course and your fellow golfers and follow golf etiquette. Thank you.
