

# Muckhart Golf Club

## Weekly Update

### Overview

Many thanks to our volunteers who helped to plant our latest delivery of trees. They were ably assisted by the Primary 7 pupils from Muckhart Primary School who were a big help!

The weather has been a bit damp so far this week but temperatures are set to rise. Apart from bringing better golf weather, this also increases growth on the courses so the greenkeepers are doing more cutting and the courses are really taking shape.

This weekend ahead will be a busy one on the courses but even if you are not playing golf, we should have perfect weather for sitting in the sunshine with a nice cool drink and a bite to eat! You have no "i-deer" who might join you!

Your square selection and payment can be made at the bar. Winners will be drawn once all the squares have been sold.

Thank you all for your ongoing support of the club.

Good Luck!

## Retail & Golf Operations Update

We have new Oscar Jacobson clothing in the shop which includes polos, trousers and outer layers. Please feel free to come into the shop and have a browse.

There is a charity golf day at Muckhart on Sunday 29th September which is being organised by one of our members, Darren O'Sullivan. The entry fee is £30 per person and this includes tea/coffee and bacon rolls and 18 holes. There will be a shotgun start at 10:00 and prizegiving in the clubhouse afterwards, including a charity raffle. The charity day is in aid of a friend of Darren's who is raising money for her own specialist MS treatment. If you would like to enter a team please let us know.

There have been quite a few members having issues with signing in to play a 'general play' round on HowDiDiDo recently. Let us know in the pro shop if you cannot sign in and we can happily input the scorecard on your behalf.

The PGA Championship starts next week and we are running the same competition as we did for the Masters in April. All you need to do to enter is choose your

professional who is playing in the PGA Championship and we will combine their first round score (on Thursday 19th May) with your nett score from the club competition you have entered next week. Please email [reservations@muckhartgolf.com](mailto:reservations@muckhartgolf.com) with the name of your chosen professional and the competition you are booked in to play.

## Greens Update

A little bit of heat and a fair bit of rain and whoosh - we have growth! In just 10 days we have gone from cutting greens once a week to cutting everyday.

All areas of the courses are now being cut on a regular schedule and this will be continually monitored to give you the best surfaces possible.

We would like to thank all the volunteers that gave up their time to help with the tree planting project, the weather really didn't play ball but you powered through to get the job done.

We would also like to thank the senior section for their ongoing help with divoting of the fairways - all help is very much appreciated

## New Machinery - Ventrac 4520

Exciting times - and great thanks to The Double A Trading Company on the delivery of our new **Ventrac 4520**.

This is a another fantastic investment for the club and the Greens team would like to thank the board and members for their continued support.
