Weekly Update

Overview

Congratulations to Dave McGinigal on winning the 2022 Club Championship. A popular winner, this is the second time Dave has won the Tullihasset Cup with his first title coming in 1995! Meanwhile, congratulations also to ten time club champion Neil MacDonald who got married last weekend!

The weather has been miserable this week so well done to those of you who have still been up to play. Brighter days on the horizon apparently!

Golf Operations

The new warm up nets between the Ardean and Naemoor 1st tees are nearly ready to be used! Please be patient as the Greenkeepers still need to add some protective padding to the poles before they can be used safely. We will let you know when they are open for use.

There has been a new delivery of pre-loved golf balls to the pro shop. Feel free to stock up on these when you are next at the club. Also in the pro shop, we have a new range of putters, irons and woods from various manufacturers. Come and have a look for yourself if you are in the market for new clubs and remember that all members receive 5% discount in the shop for any stock over the value of £10.

There are still a few spaces left in our open competitions for the rest of the year, starting with the Ladies Tri-Am this Sunday. If you would like to enter any of our opens, please visit our website or ask in the pro shop. Our opens are available to enter for members and non-members so feel free to invite golfing neighbours, friends and even family!

Greens Update

We have to say it quietly but Paul, his team and the courses are loving some the recent wet weather.

The Cowden greens have had a little aeration this week with a verti drain to a depth of 3 inches. This was followed up with a wetting agent and a micro nutrient spray.

The Ardean greens have been given a low nitrogen feed to promote growth of the seed that was sown last week.
