Muckhart Golf Club

Weekly Update

Overview

Great news this week as Muckhart Golf Club won the 2022 Perth & Kinross County Mens Team Championship at Strathmore Golf Club on Sunday. Congratulations to juniors Alex Turlik and Lewis Seath who combined with the evergreen Neil Hill to claim top honours. Alex and Lewis led the way both shooting under 1-under par.

Well done also to Alex Glaister, Helen Ewen and Lesley Baillie who won the 2022 Ladies Tri-Am Open, also on Sunday.

The installation of a new hitting area at the driving range is ongoing and we thank you for your patience - it will hopefully be worth it!

National Golf

Jamie Roberts mounted an impressive defence of his Cameron Corbett Vase title at Haggs Castle last weekend. Not to be this year but still a great 5th place finish.

Lewis Seath and Luke Volland both secured a top-20 finish in the ProDream Masters at Pollok Golf Club while Alex Turlik continued his solid form finishing in 11th place.

Greenkeeping Update

Well the calendar says July but we are not sure that Mother Nature has been given the message!

Unfortunately we have had a break down with our semi rough machine and are waiting on parts but it should be back up and running soon.

Another busy week for the team with the Mixed Pairs Open this weekend so once again thank you to the volunteers who give up their time to help us divot fill the fairways.

Golf Operations

The Open Championship starts next week at St Andrews and to celebrate Scottish Golf for the week, we would love for you to take photos of yourselves and playing partners on the course and send them to us. On Monday 11th July, we will select the best photo and the winner will get their photo posted on our social media platforms. Please email your photos to reservations@muckhartgolf.com.

All three courses are in spectacular condition at the moment! If you haven't had the chance to play in the last few weeks, now is the time to get out on to the course see the results of the hard work the greenkeepers have been putting in throughout the winter and the last few months.

When signing in for any club competitions, you may find that HowDiDiDo will not let you sign in due to insufficient funds. If this message does appear, you can top up your card in the pro shop before playing. Please speak to Steve or Joe if this does happen and they can assist you on the day.

Featured Partner

Staran Architects

Staran was founded in 2012 by friends and former colleagues, James Ferguson and Iain Shillady. Their main office has always been located in the centre of Edinburgh and, as such, they have a wealth of experience in listed building projects, working within conservation areas and maximising the potential of tight city centre commercial sites. They particularly enjoy repurposing previously overlooked sites and buildings. Whilst the majority of their work is in Edinburgh and the surrounding areas, they also work across the UK, with projects taking them from the Outer Hebrides to London.

They enjoy working across a diverse range of buildings and locations, so do not have a 'signature style' that they adapt for each project. Instead, their focus is on working with clients through a collaborative process to deliver the outcomes they require; be it a beautiful family home, a business asset, or a property development. They take time to fully understand their client's requirements and to make the most of the opportunity that working together can bring.
