Muckhart Golf Club

Weekly Update

Overview

It has been a much wetter week on the course, following the recent heatwave, but don't let that put you off. The course will benefit from the rain and we're all used to playing in waterproofs throughout the rest of the year!

Congratulations to Avril Hendry, who has qualified for the Scottish Regional Medal Grand Final. This is being held at Royal Burgess Golf Club on 21st August. Another congratulations to our Scratch League team who defeated Pitlochry in the first leg of the semi-final on Friday 4-1. The second leg is due to take place this week at Pitlochry. Good luck to Avril and the Scratch League team!

The bike rack, which is located by the main entrance to the clubhouse, has now been moved to ground level, making it easier to store bikes for any of you who want to cycle to the club.

Scottish Men's Amateur Championship

Well done this week to Jamie Roberts on successfully negotiating the 36-hole strokeplay phase of the 2022 Scottish Men's Amateur Championship to qualify for the matchplay. A good effort from our trio of juniors - Alex, Luke & Lewis - but sadly they didn't make it though this year.

Good luck Jamie!

Course Rotation

The courses will be rotating on Monday 1st August. The 18 hole course will be Ardean/Cowden and the designated nine will be Naemoor.

Thank you for your patience with this.

Greenkeeping Update

Some much needed rain at the weekend, just shy of 2 inches (48ml), has really greened up the course and allows us to add a little more stress to the greens without worrying about them so much.

The fungicide that was sprayed last week has worked really well and has stopped the Pythium in its tracks. There is still some unsightly scarring but this will grow out fairly quickly.

There will be a course rotation this coming Monday (1st August) which will allow us to do some remedial work to the Naemoor greens and have them ready to go for the next rotation.

Please remember to repair and pitchmarks and divots from the fairways. Thank you.

Golf Operations

There is currently a rail of pre-loved Junior clothing, including items for boys and girls, as well as shoes in the pro shop. There is a variety of sizes on offer at reduced pricing so feel free to come and have a browse. The rail is currently stored in the back room in the pro shop but it will come out onto the main shop floor on Thursday afternoons during the Junior coaching.

We have had a few cases of players starting on the back nine (currently the Cowden) without being aware of golfers who are finishing their front nine and on their way to their 10th tee. Please make sure you let the groups through, immediately, who are half way through their round, or tee off on the 1st hole of the 18 hole course (currently Naemoor) or the designated nine (currently Arndean).
