Muckhart Golf Club

Weekly Update

Overview

There will be a road closure on Tuesday 30th and Wednesday 31st August from 09:30 until 15:30 which will affect access to the Golf Club. New Broadmeadows will be closed between the junction with the A91 and Muckhart Primary School for 350 yards. If you are planning to come to the club that day, please use the Rumbling Bridge road instead.

We have had lots of visiting groups on the course over the past few weeks. As a result of this, the car park is filling up, especially at the weekends. We have a couple of busy weekends coming up with more groups visiting, as well as member competitions, so please park considerately when you arrive at the club.

Greenkeeping Update

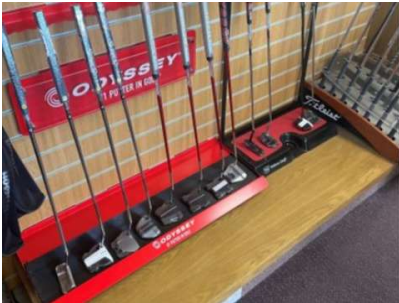

A wet start to the week, but we would be lying if we didn't say that the courses were needing a good drink.

We have had a small problem with our rough mower this week, but it should be back up and running soon so we will catch up with the cutting by the end of the week.

Next Monday (22nd) we have the Air2G2 on course for three days. This fires pneumatic air into the soil profile creating new areas for water and roots to penetrate. This is a slow process so please be patient if we are on a green that you are playing.

Golf Operations

The Callaway Fitting day is this Monday (22nd August) so if you would like to book an appointment please let us know in the pro shop.

There are still some Odyssey, TaylorMade and Ping putters available in the shop so feel free to come and have a look if you are in the market for a new putter. Remember that we can order specific clubs for you if you see something online that you like which we do not stock. Please ask in the shop if you see something online or elsewhere that you would like us to get for you. You also get your member's discount on these items!
