Greenkeeping Update

Another busy week for the team, the rain over the past couple of week has given us a huge flush of growth especially in the rough.

The greens got a light Verti Cut this week to help with tillering of the grass, and to encourage the creeping bent grass to thicken up.

Next Friday (9th) we say thanks and goodbye to one of our summer staff. Angus will be finishing his second summer with the team and we wish him all the best with his future studies in Glasgow.

Just a reminder that we are still looking for volunteers for the coring starting Monday 19th September

Golf Operations

The Stewart and Hooper Gents Opens are taking place on Saturday 3rd September. There are still a few spaces left so if you would like to enter please let us know. The entry fee is £10 for members and £15 for non-members.

In order to submit a general play score, you must login

on either the Scottish Golf or HowDidiDo apps when you arrive and submit your score on the app after you have played. You must sign in and submit the score within 1 mile of the club. If you cannot sign in on the apps for whatever reason, please let us know in the pro shop that you intend to submit a score and we can process the scorecard for you. You cannot submit a general play score without notifying us beforehand. Equally, if a general play score is not submitted once you have signed in, penalty shots will be applied to your handicap.
