Weekly Update

Overview

Steve and Rory are both on holiday over the next couple of weeks, so Joe will be mostly based in the pro shop. This means that the office will be closed but please feel free to come to the shop if you have any questions.

The tree felling on the Cowden has been very successful so the course of the day next week will return to Ardean and Cowden, with the Naemoor returning as the designated nine.

Our buggies are being collected on Wednesday 12th October. This means that the last day that they are available to hire, subject to weather conditions and availability, is Tuesday 11th October.

Greenkeeping Update

Not the greatest weather for golf but the topdressing sand is getting washed in nicely.

The greens are recovering well from the coring a couple of weeks ago and we will be back to cutting them more frequently soon. With the work that has been done and the excessive rain at the moment, we are noticing a lot more pitch marks. Please continue to repair these as they will take longer to repair themselves with the cooler temperatures we are now seeing.

Golf Operations

There are plenty of new items of clothing in the pro shop which arrived last week. There are new items of ladies clothing, including outerlayers and trousers from Swing Out Sister and Daily Sports. For the Gents, there are new Glenmuir items for the colder weather and there is also a new range of Sunderland gillets and waterproofs. We have also restocked on winter hats, mittens and winter gloves. Please come into the pro shop and have a look whenever you like.

Due to the recent wet weather, there have been a few days where we have decided not to allow buggies on the course. This is to protect the course and to ensure we look after our members' health and safety! If you have booked a buggy, we will let you know if they are not available.
