

Muckhart Golf Club

Weekly Update

Overview

Our 2023 Muckhart Calendar is now on sale. The calendars are £10 each and include scenic photos of the club. These can be pre-ordered at the bar, in the pro shop, or by emailing enquiries@muckhartgolf.com and we will take the £10 off your loyalty card. All proceeds will go towards the club development fund. The last date to order these is Tuesday 22nd November!

There is heavy rain forecast over the next couple of days so please take extra care around the clubhouse and on the golf course. We will send updates by email should we need to close the course throughout the winter period due to weather conditions.

New Year's Party

We are delighted to announce that there will be a New Year's Party at Muckhart Golf Club on Saturday 31st December.

The event will run from 19:00 until 01:00 and will include a buffet dinner, party games, music, dancing and much more! Tickets for the event are £20 per person (which includes a buffet dinner and a glass of prosecco) and is for over 18s only. Members and guests are welcome!

Payment for the tickets must be made in cash by Friday 16th December. You can book a table and make payment for your tickets at the bar.

Golf Operations

When filling out supplementary scores for your handicap, please ensure you note on the scorecard which date you have played. If the date has not been written on the card we cannot keep an accurate record of when you have played.

Christmas vouchers for the Pro Shop are now available. They can be redeemed against clothing, golf equipment, green fees and membership fees. Please pop into the shop if you would like to buy a voucher.

Greenkeeping Update

If this weather continues the new hazard of The Ark will be placed on the 6th fairway of the Naemoor course.

Traffic rope has now been put out on the courses. This is to help the worn areas and to keep golfers safe due to slipping and falling. Please adhere to these ropes.

The greens have now had their low nitrogen winter feed and also another spray with wetting agent. As much as these products help with the movement of water, they are not miracle workers. The amount of rain we have had recently is disheartening but we will keep doing our best to keep the course open for you.

Please remember to repair pitch marks and divots.
