

GENTS SECTION

Club Competition Rules & Entry Procedures

It is no longer a requirement to play in a formal competition to obtain, retain or regain a handicap. Three cards played from the appropriate tees, suitably signed, are acceptable.

All competitions will be played strictly to R&A and relevant Local Rules. No exceptions will be made.

Weekend competition entries will be accepted until midnight the Thursday prior to the competition. Entries can be submitted through 'howdidido' or the Pro Shop.

The draw will be made and published by 12.00 midday, Friday prior to the competition.

Once a draw has been published, it will not be altered except by the relevant organiser, who may make minor adjustments to accommodate no shows and late cancellations.

Players are reminded of R&A Rule 5.3a: "You must start at (and not before or after) your starting time unless 'The Committee' decides that exceptional circumstances prevented you from starting on time".

Late entries will be accepted if space is available, or in the event of valid cancellations.

On the day of competition, competitors are not permitted to amend tee-times.

Competitors must sign in through 'howdidido' prior to their round and report to the Pro Shop / Starter at least 10 minutes before their tee time and be on the tee and ready to play 5 minutes before their tee time.
