

Partnership Opportunity

## Muckhart Golf Club

*"I visited Muckhart Golf Club and it was as near to paradise as I think I'd ever been at that time"*

*Peter Alliss*

Situated in the heart of the 'Home of Golf' since 1908, Muckhart Golf Club has long boasted a position on the list of must-play courses in Scotland. With three 9-hole courses offering variety in both setting and challenge, we have something for everyone – from world-class golfers to social enthusiasts. The stunning Ochil hills provide an incomparable backdrop on every hole and all three courses are cleverly designed, bringing out the best of the local scenery as well as utilising the prevailing weather conditions to provide a fair test of golf.

Thanks to a friendly welcome and a warm atmosphere, Muckhart Golf Club has more than 800 members and hosts over 6000 visiting golfers each year. Our Opens – Gents, Ladies, Junior, Senior & Mixed – are often oversubscribed, guaranteeing that our reputation is spread far and wide.

## Partnership Opportunity

In line with our recent resurgence, we are pleased to announce and present a Partnership opportunity aimed at developing and strengthening our existing corporate ties and of course, establishing new relationships.

Our Partners are extremely important to us and our ongoing success. Creating mutually beneficial relationships is a crucial element in any business and we constantly strive to ensure that our partners are maximising the benefits provided within their agreement.
