Weekly Update

Overview

Paul and his team have been working hard over the last few days to clear up some of the debris on the course following the recent high winds. We hope to open the course as soon as we can, depending on the weather over the next few days.

Our Season Opener will be taking place on Saturday 30th March so put this date in your diaries. There will be an informal 9 hole and 18 hole competition which is open to all members, whether you have a handicap or not.

LCA Driving

LCA is a family-run business, offering driver training to the highest standards in a friendly, relaxed environment, enabling new road users to achieve their goals. Lynn & Chris Alexander understand that learning to drive can be challenging and they aim to deliver an enjoyable and rewarding experience, which will not only lead to the attainment of a driving licence but also ensure that their clients become safe and confident drivers. LCA covers all aspects of driving during the training phase, not 'just enough to get you through your test'. Lynn & Chris both bring extensive field and training knowledge ensuring that their clients meet their goals. Their reputation is first-class as they lead the way in local driving instruction, mainly covering Muckhart, Dollar, Kinross, Auchterarder and Dunfermline. Other areas will also be considered depending on requirements.
