Greenkeeping Update

Its February already, how did that happen? After a very stormy January we are hoping for some settled weather but we will wait and see.

All greens have now been Verti-drained to a depth of 7 inches. This will help with root growth and the removal of excess moisture after all the rain that we have had. This process does mean that the greens will be slightly softer so please repair all pitch marks.

The winter projects have been in full swing lately and the team have made great progress with the artificial tees on the Naemoor course, hopefully we will completing these soon.

Six Nations

We will be showing the Six Nations matches on our large screen TV in the clubhouse again this year!

If you are looking for somewhere to cheer on Scotland from (or another team....) you are more than welcome to watch it with us!

We have a well stocked bar and serve Stella Artois, West 4 Lager, Inch's Cider and Belhaven Best on tap. There is also a wide variety of bottled alcoholic drinks, wine, spirits, Guinness and plenty of soft drinks options.

Members and non-members are welcome!
