## Weekly Update

### Overview

The new artificial tees on Naemoor are in play from today. The artificial tees on Cowden will be completed this winter so please continue to use the winter tees as normal on Cowden and Ardean.

The Season Opener sign up sheets are now up in the Pro Shop and Clubhouse. Please ask us if you have any questions about the day.

There are four trees being removed from the right side of Cowden 9th this weekend, by the burn. They will be removed in the morning so this shouldn't cause too much disruption to golfers.

### Featured Partner

#### Ochil Joiners and Builders

Founded in 1973, Ochil Joiners and Builders remains a close family run business that has been providing bespoke construction services in the area for nearly 50 years.

Thanks to their own manufacturing facilities, teams of skilled joiners, in-house builders and ground workers who work alongside long standing specialist sub-contractors, Ochil Joiners and Builders can accommodate and undertake a wide range of building projects. Numerous bespoke house builds, renovations and extensions have been completed in the Kinross and Dollar area over the years.

Ochil Joiners and Builders always strives to provide quality workmanship and a personal service for their clients and the business continues to be built on recommendations from their long standing customers.

Ochil Joiners and Builders have also been a great help to the club in the recent artificial tee project on Naemoor and Cowden and we thank them for their support with this.
