Weekly Update

Overview

Unfortunately, Euan Porter will be leaving the team at the end of the month. Euan has successfully applied to become an intern on The Ohio State University program. This will allow Euan to continue learning on golf courses in America. We thank him for the past 4 years and wish him all the luck on his next adventure.

All members must book a tee time before you play. If you are having trouble accessing your BRS account to do so, please ask Joe for help in the office. As we head in to the season and the weekly competitions start, you will also need access to HowDidiDo to enter your name into the draw and also to sign in on the day. All competition fees are automatically taken from your loyalty card so please ensure it is topped up next time you're at the club.

Season Opener

The Season Opener sign up sheets are now up in the Pro Shop and Clubhouse.

It is £10 per person to enter and this must be paid in cash on the day.

The day is open to ALL members, whether you have a handicap or not AND there is a Trophy for the winning team! It would be great to see lots of you there on the day to kick start the new season.

Please ask if you have any questions about the day.

Staran Architects

Founded in 2012, Staran now have a studio on the outskirts of Rumbling Bridge, in addition to their main office in the centre of Edinburgh.

Staran enjoy working across a diverse range of projects and locations, and do not have a 'signature style' that they adapt for each project. Instead, their focus is on working with clients through a collaborative process to deliver the outcomes they require; be it a beautiful family home, a business asset, or a property development.

Staran take time to fully understand their client's requirements and to make the most of the opportunity that working together can bring.

Six Nations

The Six Nations is back this weekend!

We will be showing all the games in the clubhouse which start with Italy v Scotland and then Ireland v England on Saturday. On Sunday, we will also be showing France v Wales.

Members and non-members welcome!

Greenkeeping Update

After another very wet month we seem to be going through a little dry period at the moment. This has allowed the team to start with some course cutting. All fairways, approaches, tees and semi rough have now had their first cut of the year.

I'm pleased to report a slight improvement to the pitch mark problem we have been suffering with. Thank you to those golfers who are repairing these for us, please continue to do this to protect the greens.
