## Weekly Update

### Overview

From Monday to Thursday next week we are hosting the Scottish Girls' Under 16 Open Championship. Monday 9th is a practice day and then the competition rounds take place on the following three days. The course they are playing for all four days is Naemoor/Cowden. Ardean will be the 9 hole course and will be open for member and visitor bookings as normal.

Please be aware that the practice area will be closed, the car park will be very busy and we expect the clubhouse to be busy with competitors and also spectators from Monday to Thursday. Members are more than welcome to come to the club and watch the competition. Thank you to all members who have volunteered to assist us with running the competition.

There are plenty of new and second hand putters in the Pro Shop for you to browse through. We have different models and colours available from Odyssey and Wilson and remember that all members receive a 5% discount off the listed price. If you see a putter online that we do no stock, let us know and we can quote this for you.

If someone you know has a birthday coming up or another special event, we can provide a gift voucher for them. These can be made out to any amount you like and can be picked up from the Pro Shop.

#### Staran Architects

Founded in 2012, we now have a studio on the outskirts of Rumbling Bridge, in addition to our main office in the centre of Edinburgh.

We enjoy working across a diverse range of projects and locations, and do not have a 'signature style' that we adapt for each project. Instead, our focus is on working with clients through a collaborative process to deliver the outcomes they require; be it a beautiful family home, a business asset, or a property development.

We take time to fully understand our client's requirements and to make the most of the opportunity that working together can bring.
