Weekly Update

Overview

After the recent wet weather, it seems as though conditions will improve over the next few days with some warm and dry weather forecast. Naemoor is now back open for play and the designated 18 will be Naemoor and Cowden until further notice. The 9 hole course will be Ardean. Please note that there is still a temporary green on Ardean 1st whilst the full green recovers from the recent maintenance work.

Today (Sunday 1st September), we are hosting the Gents 4 Man Texas Scramble and we are expecting a full field of over 120 competitors. Please note that the car park and clubhouse will be extra busy tomorrow if you are coming to play or wish to use the bar or restaurant.

Pro Shop

There are still a few items left on the 50% sale rail but these items are selling fast!

From Saturday 7th September, the Pro Shop's opening hours will be changing. From Monday to Friday it will be open from 08:00 until 18:00 and on Saturday and Sunday it will be open from 07:00 until 17:00. If you wish to play after the shop has closed, you must still book a tee time through BRS.

Please remember to fix your pitch marks and divots whilst playing. After the recent wet weather the course is softer than normal for this time of year so it is very important that everyone repairs the course whilst playing.

Fashion Show

After last year's success, the Ladies' Section are running another fashion show, which is hosted by Mel Anderson of Ooshasc pre-loved clothing boutique, on Friday 20th September in the Clubhouse.

Tickets are £10 per person and these can be purchased in cash at the bar or online at

Titleist Ball Fitting - Wednesday 4th September

On Wednesday 4th September, from 08:00 until 12:00, there will be a Titleist rep on the putting green giving you an introduction to the different Titleist golf balls and he will also be able to give you some advice as to which ball is best suited for your game.

There is no requirement to book so if you are interested please feel free to come along!

Colorado Construction – Leading National Construction Firm
www.colorado-group.com

Colorado Construction is an engineering, construction and finishes business based in Scotland, specialising in listed buildings, bespoke luxury homes, and the design & build of distilleries and visitor centres. Colorado Construction is currently building a unique vertical distillery on nine levels in Edinburgh. The Port of Leith Distillery will create a one-of-a-kind experience for visitors, showcasing the full whisky life cycle up close.

This award-winning firm has been recognised thanks to their dedicated approach to focusing on what their clients want and in delivering every job to a consistently high standard whether it be a contract for ongoing maintenance and support or a complex multi-million pound project to build a new distillery – such as those at Torabhaig, Inchdairnie or Glen Turner, a new visitor centre or bonded warehouses. Colorado Construction believes in working in an 'open book' manner and aims to provide demonstrable value throughout the construction and engineering process. Their success with this approach, where their people take an 'ownership' approach to every project, is demonstrated by the fact that 85% of Colorado Construction's work comes from repeat business.
