Weekly Update

Overview

Greens maintenance will be taking place next week, from Monday 14th October, and the greenkeeping team will begin by coring the greens on Naemoor. This means that Naemoor will be closed on Monday so if you are booked in to play, please check in with the Pro Shop and ask which course(s) you will be playing. This is essential maintenance so please be patient whilst the greens recover.

Over the next few weeks, there are various events taking place in the clubhouse. See below in the 'What's On' section for more details.

McFarlane Opticians – Your local eye specialist!

Over 10,000 patients in the Forth Valley and the Scottish Borders trust R.D McFarlane and Nicol's Opticians with their eyes. They have been testing eyes in Clackmannanshire and the Scottish Borders for over 75 years and during this time have learnt a thing or two about how to look after their patients. When you visit R.D McFarlane and Nicol's Opticians you will find a practice full of modern equipment combined with traditional service values and professionalism. Eye examinations take at least 30 minutes but this time is spent entirely with an optometrist providing plenty of opportunity to discuss your results.

R.D McFarlane and Nicol's Opticians have a large range of frames from budget to designer, to suit all ages, which means you can be sure to find a style that suits. Being Independent, R.D McFarlane and Nicol's Opticians also has access to a wide range of contact lenses, from Monthlies to Dailies and Multifocals to lenses for astigmatism. With branches in Alloa and Alva, R.D McFarlane and Nicol's Opticians is also convenient!
